

Slagritmes in 4/4 maat

Een slagritme is een ritmische opvulling van de maat, en is een ondersteuning voor de melodie (in meeste gevallen de zanger(es) die het liedje zingt).

Alle slag- of begeleidingsritmes zijn ontleend aan de oorspronkelijke Griekse metra.

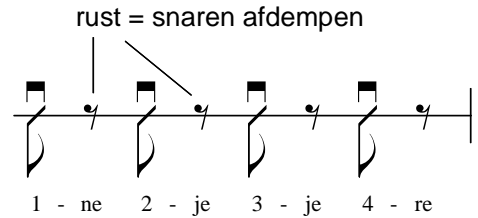

RITME 1: De maatslag

De maat is de hartslag van de muziek

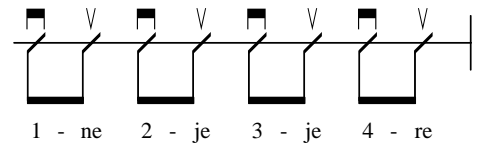

Variatie:

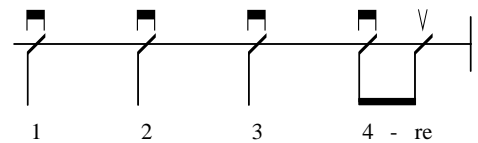

De aanslag (met downstroke) wordt onmiddellijk gevolgd door het afdempen (op de rust) van de snaren.

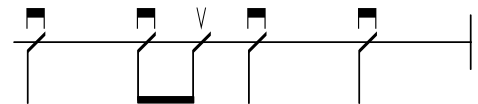

RITME 2: De wisselslag
